

CV Erling Strudsholm

Name: Erling Strudsholm

Department: English, Germanic and Romance Studies (ENGEROM)

Disciplinary affiliation: Italian language and culture

Position and academic title: associate professor, PhD

Employed at UCPH/ENGEROM since: 1993

Year and institution of PhD graduation: 1997, UCPH

Research profile and current research focus

PhD dissertation on predicative relative clauses including deictic elements. Research into verbal periphrases, including grammaticalization of positional (*stare*) and movement verbs (*andare, venire*) as auxiliary verbs; linguistic variation in Italian, from diachronic as well as synchronic perspectives; future in spoken language; deontic modality; the syntax and semantics of perception verbs; personal pronoun paradigms and their changes; idiomatic expressions with numbers, colours, and animal names in a comparative prospect (Italian-Danish); time and tense in a interlinguistic perspective.
