

International Conference
RESPOND Project Multiplier Event

Sustaining the Professional Development within Schools as Professional Learning Environments

12th November 2024

University of Florence, FORLILPSI Department – Via Laura, 48, Florence – Room 211, 2nd Floor
Remote connection via Google Meet platform

RESPOND (Sustaining the Professional Development within Schools as Professional Learning Environments) is an Erasmus+ Cooperation Partnerships in School Education project designed to promote sustainable professional development at the level of individual teachers and the schools they teach in. This Multiplier Event presents the overall project and each of the project results produced.
